MONITOR YOUR GOLF CAR IN REAL TIME WITH SMART LINK™

Battery-powered golf car owners know their cars are durable, reliable and easy to drive on the golf course, around the neighborhood and off the beaten path. What owners don't know—and often wish they did—are important indicators about the golf car's performance and usage. What is the exact charge level of my batteries? When is my next maintenance due? Is my golf car safe and secure? How fast do I drive?

Smart Link™ provides real-time answers to all these valuable performance indicators and security concerns. The system includes a simple device that is easy to install on your golf car, and an iPhone or Android app that provides real-time vehicle monitoring.

A close-up, high-contrast photograph of a golf cart tire and wheel. The tire is black with a prominent, aggressive tread pattern featuring large, raised, triangular blocks. The wheel is black with silver-colored spokes and a central hub. The image is dark, with highlights on the tire's tread and the wheel's spokes.

TIRES & WHEELS

With street and off-road tires available, you'll be able to customize your golf cart with a wide variety of 8", 10", 12", or 14" wheels to fit your needs.

TIRES & WHEELS

Our Tire & wheel packages include 4 assemblies, lug nuts and center caps.

Pro-FitParts.com Shipping and Order Information

Most in stock items ship within 24-48 hours of ordering (Monday – Friday). Please note that some items ordered together may not be shipped on the same day. Some items may be out of stock and will ship as soon as possible. Delivery times may vary depending on the ship-to location and items purchased. You may also select express shipping options available during checkout. All orders including express and overnight delivery received after 1:00 pm ET will not ship until the next business day. We cannot ship orders to PO Box addresses. At this time we only ship within the continental United States.

Pro-FitParts.com Returns and Warranty

In order to return an item, please contact our Customer Service team at support@pro-fitparts.com within 30 days of purchase. All returned items must be in new and unused condition. Electrical components must be in original packaging to be eligible for a return. In order for us to process your refund all items require a Return Authorization Number and Return Reason Code. Refunds will be made in the original form of payment. There is a 15% restocking fee applied to all items unless parts are defective or received damaged. The fee is also applied for returns sent without a Return Authorization Number.

There is a 90-day warranty on most items from the date you receive the product(s). To make a warranty claim, contact our Customer Service team at support@pro-fitparts.com.

If you have any questions about returns or warranty claims, please contact our customer service team by email at support@pro-fitparts.com or toll free at 1-844-360-5524.
